

SMART™

Nordic Content Creation Seminar, Copenhagen

September 20th-21st 2010

Distributors of SMART Technologies from Nordic countries Denmark (Solutors), Finland (Aronet-Esitysyhtiö Oy) Norway (Interactive Norway) and Sweden (Netsmart) are more than happy to invite you to the first Nordic Content Creation Seminar held in Copenhagen September 2010.

:: NORDIC CONTENT CREATION SEMINAR?

Seminars are designed to help teachers create professional and interactive Notebook lessons, which support different kind of learners. During this two-day event, you'll have the opportunity to enhance your SMART product and pedagogical skills and create content you can share with other teachers.

:: TO WHOM?

Nordic Content Creation Seminar is meant for SMART users who are experienced with SMART products and are enthusiastic about designing lesson activities to increase student engagement and participation. Participants have to have attended a basic training to join this seminar.

:: NB

There are a limited number of spots available (20 from each country) and we will only accept applicants who meet the following criteria:

- You have attended a basic training
- You have experience with SMART Board interactive whiteboards
- You want to improve your skills in creating dynamic, SMART Notebook lesson activities

:: WHEN AND WHERE?

Solutors A/S, Skelmarksvej 4, DK-2605 Brøndby, Denmark
September 20th-21st 2010

:: OTHER INFORMATION

- Attending is free
